Event: Cleveland High School closing ceremonies
Date: Saturday, June 4
Time: 10 a.m. to 3 p.m.
Location: Cleveland High School

Dear Alumni:

This is a personal invitation for all former students who attended Cleveland High School to join Cleveland teachers, students, administrators and the Alumni Association for one final walk through our beloved alma mater.

Cleveland High School will close its doors at the end of the 2004-05 school year for major renovations. When it reopens in the summer of 2007, our school will be transformed into three separate academies along the small-school concept. The historical aspects of our school will be preserved. However, the internal elements of our school will be upgraded to meet the emerging challenges of the 21st century. The current gym and the old wing housing the music room and industrial arts programs will be torn down, and new structures will be built.

Before this all happens, the Alumni Association and the Cleveland High School staff have developed a very exciting program to mark this event. We have jointly planned a unique and inspiring closing ceremony that you will not want to miss.

Please mark your calendar and save the date of Saturday, June 4, to make one last stroll through the halls of Cleveland High School.

You are invited!
