The 2012 Memorial Day program at the Cleveland High School Memorial Forest was indeed inspirational. It was a beautiful day as alumni and students gathered to honor our Fallen Heroes and to say thank you to all who have served in the military. This was a first visit for many of the alumni and students who had been unaware of the Forest, the significance of the Memorial, the names on the Rock and the sacrifices made by Cleveland High School men during wars.

The program began with a bugle muster call by Bernie Moskowitz ’57.

The Washington State National Honor Guard from Camp Murray took their stations.

The Pledge of Allegiance was led by Moskowitz followed by an invocation from emcee Don Armeni ’49.

Bernie Moskowitz then reviewed the history of Decoration / Memorial Day and our need to remember what we owe to the men who have fought in all wars.

Don Armeni welcomed all and directed attention to a table with memorabilia and information about the forest and information about men who lost their lives while serving our country.

We are fortunate to have the Forest as a place to gather and to remember our Fallen Heroes. At the Memorial Rock, located near the center of the Forest, their names are memorialized on bronze plaques. Every name on these plaques represents a story, a life, and a loved one lost while serving his country. On May 25 we paid special tribute to three of these men: Gordon Larson, Richard Larson and Terry Rolstad. These men were selected for this Memorial Day celebration to represent alumni lost during World War II, Korea and Vietnam.

Gordon Larson: US Army, 22 years of age. Captured during the fall of Manila, died November 14, 1942 after seven months as a prisoner of war.

Richard Eugene Larson: Richard Larson, Gordon Larson’s brother, joined the army in August, 1950 — nine years after his brother’s death. Sent overseas, he was killed in action in Korea on October 19, 1951, a second tragic loss for the Larson family.

Terry Rolstad: The toll continued in Vietnam when Terry Rolstad was lost on April 19, 1969. Terry lived at 3005 Lucille Street. He graduated from high school in 1966 and entered the USMC in November of that year. Terry was a gunner on a helicopter when it went down during a medevac operation. Personal narratives report that he had been with a chase plane but things were quiet and the crew was restless and asked to lead the next mission. That was a medevac cable extraction through the trees. All had been quiet for several hours so no problems were expected, but as the wounded man was being hoisted to the copter, firing broke out all around. Numerous hits made it impossible to control the aircraft and it crashed, killing everyone on board.

Don Armeni then read a closing poem dedicated to the Fallen Heroes. The poem was followed by a 3-volley salute from members of the National Honor Guard.

High school students Melody Huerta and Yvonne Seumaala folded a flag and presented it to a sergeant of the Honor Guard who in turn made the symbolic presentation of the flag to a loved one. This year the flag presentation was made to Joanne Borovich who had been the high school sweetheart of Terry Rolstad. She remembers and continues to honor him and others who were lost in Vietnam.

Bernie Moskowitz closed the ceremony by playing Taps. (Note: it has been 150 years since Taps was first composed).

Many visitors then took the Trek to the Rock where names were read, friends recalled, and two trees were planted by students Chaltu Hussein and Melody Huerta.
MEMORIAL FOREST  (continued from page 3)

A return up the path — young people running, elders going at a slower pace. Refreshments, play time and back on the bus for students ended a day of honoring, remembering and renewal. Thanks to our Fallen Heroes we all continue to enjoy life.

We encourage any who have not attended a Memorial Day at the forest to plan to do so next year. It is a fulfilling experience.

Remember Me?

Johnny McLaughlin was my name.
There was a time I got some fame
As the smallest Eagle in the football game.

120 lbs someone said
"..with full uniform, extra large shoes
And four quarters on a wet field."

It was a challenge, that I will say!
To fight the big guys for a chance to play.

But play I did, and that year was good.
Shoulder to shoulder our team stood.
We won glory on the football field
When to our opponents we would not yield.

In the end we won the game.
All-city champs we became.
We heard the cheers ring loud and clear.
That was 1937! What a year!

1942 brought a new challenge to meet.
We were at war!
There were opponents to beat
And I joined the Navy.

A tail gunner I was on a small Navy fighter
I fit in the tail because I was lighter.
From England and Ireland we flew over the sea
A long way from home
Where they remembered me.

Our team did not finish the war.
I was one of a courageous crew
On the final mission that we flew
When our plane went down in the water.

The battle was over,
We fought no more.
That was February, 1944

A final treaty was signed at last
That big war is in the past
But our plane and crew still rest at sea
And all we ask is “remember me”.

Johnny McLaughlin was my name

The above poem is about one of our Honored Dead. It was written by Pat Sullivan Rosenkranz ‘49 and was based on information gathered for her book Honored Dead. We welcome others to submit their “memories” for publication in this space. Your “memories” can be in the form of stories, poems, pictures or whatever you think our readers might find of interest.
We recently celebrated our nation’s 236th birthday on July 4th. Our Bill of Rights were not passed until 1789. They are reprinted here as a refresher for all of us.

LAST COPY ???

Is this your last copy of the Alumni Newsletter ???

This is the last copy of The Alumni that I am publishing. I have enjoyed doing the newsletter for the last three years but other commitments compel me to step down. One of you readers needs to step forward and volunteer.

Our newsletter is a key part of the CHS Alumni Association. For a few weeks following each publication our mail box is stuffed with letters and donations from members wanting to give back to their high school roots.

Applicants for this job need a computer and reasonably good computer and writing skills. The CHS Alumni Association will provide you with the software.

You need not be located in Seattle. You don’t even have to live in the United States. As long as you have an internet connection you can be located anywhere in the world. I will help you get started as well as other people on the Alumni Association board of directors.
