11th Annual CHSAA Golf Tournament
By Alison W. Sing ’64

This is the second year in a row that the Cleveland High School Alumni Association hosted their annual golfing fund-raiser at the Jefferson Park Golf Course. 2011 was a fabulous success and the location, convenience and price were some of the major attributes that brought us back for this year’s tournament. By popular demand, the infamous Licorice Rope and Mulligan game card was brought back and built into the 2012 tournament package. These gimmicks are a great equalizer between the experienced and the novice players.

The morning sign-in process went smoothly as team members were given their tee gifts that contained three fortune cookies to be eaten as each player used a Mulligan and one length of Red Licorice rope for use on the green to save a stroke. As usual with the morning hubbub surrounding the start of any golf tournament, things got off to a slow start as everyone was looking around for their teammates.

This year’s tournament hosted 14 teams with 55 golfers that included 50 men and 5 women [see table]. At 7:15 AM the golfers were directed to pick up their golf carts and move to their assigned starting holes. Our foursome’s effort to find the tee for fairway 15 reminded me of a silent “Keystone Cops” comedy as my driver was attempting to use his GPS phone to locate our starting tee while others were using the directional signs. We circled around driving like blind bats but finally located our starting tee just in time.

A horn blast at 7:30 AM signaled the start of the tournament and the teams began teeing off on their respective fairways.

This year the Longest-Drive competition was on fairway 8 and the Closest-to-the-Pin was on fairway 16. Both men and women received prizes for these events. This year we also had a chance at winning $40,000 on the Par 3 of fairway 10. A Hole-in-One to the first golfer guaranteed a winning purse of $40,000 unless multiple golfers scored then the purse was to be split evenly among the winners. Unfortunately, our tournament rules prohibited us from using our Mulligans for this competition. Shucks! Just like the Jimmy Fallon’s Capital One commercial – “who doesn’t like more money...?”

Last year, my team posted a gross score of 77 and this is, by all means, a respectable score for this Golf Course with a posted 70 as the course par. Unfortunately, when the Mulligans and other tournament rules were considered this score placed us dead last in the competition.

For Asians, such as myself, this is worse than “Losing Face” for there was no “Face” left per se. All golfers dread the one announcement during the awards ceremony of who had the highest gross score for the tournament. Adding insult to injury was the fact that my name as Team Captain was posted for all to see. However, I have to give the Golf Com-

First -place team with a score of 49: Jon Shimada ’73, Ross Ohashi ’74, Brian Ogishima ’71 and Rod Okazaki ’72.

GOLF TOURNAMENT (continued from page 1)
mittee kudos for not giving out a booby prize.

As this year’s annual golf tournament arrived I was formulating a plan to seek “Redemption.” This year, I could not find eight golfers among my family and friends to fill out two teams. So I set out with just seven golfers, figuring that the golf committee could assign someone to my brother’s team to complete the foursome.

Everything was fine until six days before the tournament; one of my golfers called in and said he could not play this year because his back had given out on him. From a planning perspective this is the last thing you want going into a tournament. I put out a desperate call to my team members for a suitable replacement. The next day, my worries were answered when a replacement was found. I had no information to go on as to how well the individual played golf; only, that he was a fire-fighter. That bit of news was actually good. I figured if I suffered a heart attack on the course there would at least be someone who could do CPR on me.

The weather forecast for Seattle on Saturday, August 4, 2012 called for a high of 93° with blue skies and sunshine. The morning was great, there was a small bit of chill that cleared quickly as we began our play. Our foursome started off on the right foot nailing birdies and even one eagle in our first nine holes. I began to see “redemption” for last year as a possibility. Using the golf committee rules as published we all put in our drives as required. I even hit a great drive for me of 220 yards — the best drive I ever made and perhaps it will be my best ever.

As we worked ourselves around the golf course, the Blue Angels began their practice runs around mid-morning. Sometimes the jets were just a few hundred feet above us as they reformed following some of their maneuvers over Lake Washington — they were very impressive. On fairway 6 we saw the Blue Angels’ C130 Fat Albert, the operational workhorse of the Team, fly over Beacon Hill as it dipped toward the Mount Baker Park swimming area for one of her planned maneuvers. It was fascinating watching this giant move so swiftly and gracefully through the air. What a beautiful day this was.

In addition to the Blue Angels practicing their routines, commercial airliners were lined up for their approaches to Sea-Tac Airport throughout the morning as were aircraft using Boeing Field. Although the aircraft noise caused some golfers to look up; our team was focused on getting birdies and pars. We managed to end the day with no “bogies” and we ended up with a very respectable score of “53” for the course.

Our team finished the course in good time – coming in around 12:30 pm – as the summer sun was reaching its zenith for the record heat wave. As one of the first teams to turn in their score card, our gross score of 53 was the winning score . . . well at least for a brief moment until the next score card was turned in. On my personal note of seeking “redemption” this year, our team ended up tying for 4th in the final standings.

During the hosted luncheon and awards ceremony led by our own able emcee, Danny Hagan ’73 the winning teams were recognized as well as this year’s raffle-prize winners. One really nice touch was the award of a prize to each and every golfer that participated. This was an immense surprise to everyone and a very nice way to show appreciation to the tournament supporters and golfers.

Team #6 had the best score with a 49: Jon Shimada ’73, Ross Ohashi ’74, Brian Ogishima ’71 and Rod Okazaki ’72. [photo on Page 1] Team #3 had the second best score with a 51: Paul Giralmo ’75, John Foley ’79, Jeff Sullivan ’80 and Steve Byers ’74 came in with final score of 51. Team #5 came in third with a 52: Tom Hoshikawa ’72, Frank Harrison ’72, Eugene Kato ’72 and John Nelson ’72 with a final score of 52.

For the Men the Longest Drive winner went to Scott Nishimoto of Team #1. Closest-to-the-Pin went to Bob MacDonald - CHS Staff on Team #4. For the five women, Vivian (Sakagami) Yorita ’74 took the honors for both the Longest Drive and the Closest-to-the-Pin.

No one won the $40,000 for a Hole-in-One. This was sponsored by Greg Kessler ’75 & Toyota of Renton

The proceeds from this annual event support our Alumni Association scholarship program for helping Cleveland High School students achieve their educational dreams. By playing in the tournament, sponsoring a hole, and/or by donating to this event, you are making a difference in the future of CHS students.

See you next year!

GOLF TOURNAMENT
HUGE SUCCESS

The total profit for the CHSAA golf tournament was just short of $5000 - setting a record for being more than twice as much as any of our previous tournaments. Our hats off to the hard working golf committee members who pulled off this successful fundraiser for our scholarship funds. The Golf Committee is comprised of Danny Hagan '73, Jay Turner '75, Helen (Woo) Nicdao '79, Vivian (Sakagami) Yorita '74 and Dottie Chin '74.

People that helped out at the tournament included Karen Scott '77, Jan Tsutsumoto-Gokami '76, Phillip Petty '75, David Woo '73, Tom Anderson '73, Peggy Soong-Yaplee '71, Judy Eng '71 and John Barton '54.

The golf committee worked hard to secure sponsors for the tournament, acquiring a total of 20 individuals and businesses which brought in slightly over $2,000. This was above and beyond the profit from the players. This year’s sponsors included:
- John Foley –THE TIME OUT ALE HOUSE!
- Danny Hagan, Class of 1973
- Greg Kessler, General Manager Toyota of Renton
- Dottie Chin & Gregg Hashimoto, Class of 1974
- Gordon Graybeal, PGA Golf Professional
- Richard Tada, Classes of the 70’s
- Vivian (Sakagami) Yorita, Class of 1974
- James Emmi, JRE Enterprise, Class of 1977
- Warren Moy, Larry’s Volvo, Class of 1975
- Bruce Harrell, “Eagles are meant to fly”
- Alison Sing, Class of 1964
- Pat Murakami, Network Support Group
- Lew Anderson, General Builders Supply Inc.
- Don & Roxane Jonson, Martin Sign Co.
- Judy Eng, Class of 1971
- Class of 1975
- Class of 1980
- Tom Nakashima, Aki’s Body Shop, Class of 1979
- Ginger Luke, Ginger’s Pet Rescue
- Bill Maynard, Former CHS Principal

The proceeds from this annual event support our Alumni Association scholarship program for helping CHS students. Last Spring we donated $15,000 in scholarships to 5 CHS students.

1st Place Team: Jon Shimada ’73, Ross Ohashi ’74, Brian Ogishima ’71 and Rod Okazaki ’72. Low score of 49.
2nd Place Team: Paul Giralmo ’75, John Foley ’79, Jeff Sullivan ’80, Steve Byers ’74 with a score of 51.
3rd Place Team: Tom Hoshikawa ’72, Frank Harrison ’72, Eugene Kato ’72, John Nelson ’72 with a score of 52.

Longest Drive - Hole #8:
- Ladies: Vivian (Sakagami) Yorita ’74
- Gents: Scott Nishimoto

Closest to The Cup:
- Ladies: Vivian (Sakagami) Yorita ’74
- Gents: Bob MacDonald -Staff

Kudos to Cleveland! The 2012 Seattle Public Schools State of the District, hosted by the Alliance for Education, was held on Thursday, November 1st. Superintendent Jose Banda featured three schools, Cleveland was the high school featured. We were invited to make a presentation and address an audience that included city officials, businesses, non-profits, higher education and other education supporters.

Cleveland was recognized for its strong state assessment growth this year. Scores in Algebra, Geometry, Reading and Writing increased significantly. The graduation rate has increased from 62 percent in 2007-2008 to 74 percent in 2011-2012. We still have work to do, but we are moving in the right direction.

Auction SAVE THE DATE! We are looking forward to our Soaring Eagles Auction that is now slated for March 9th to be held at the University Washington Tower (in the old SAFECO building). If you are interested in attending, donating or volunteering please contact PTSA President, Pat Murakami at (206) 478-9038 or e-mail her at pat.chs@networksupportgroup.net.

SPORTS [From Athletic Director Annette Duvall’s Update]: The boys opened our basketball season with a home game on Wednesday with an exciting win against Skyline High School 55-51. Skyline jumped out to a 13-8 lead after the first quarter and led 26-22 at halftime. Cleveland was able to turn the tide in the 3rd quarter, outscoring the Spartans 14-7 to take a 36-33 lead into the final period. Skyline came right back to hold a 4 point lead with 5 minutes to play. Senior guard Donnie Webber then scored 7 of his 8 points for Cleveland and gave the Eagles a 53-51 advantage with just 12 seconds remaining. Skyline had the ball and was unable to score, then had to foul, Cleveland made both free throws to seal the victory. Cleveland had three players in double figures, Jewels Sanders led all scorers with 17, Devin Thomson added 11 and Dale Daniels 10.

Wrestling competed last night at Rainier Beach and came away with two wins - a 39-36 win over Franklin and a 39-15 win over Rainier Beach. Wrestling has 17 boys and 5 girls which is our largest squad yet. Great start to the season for wrestling!!!

Co-Ed swimming season opens with our own team! We have 19 boys and 21 girls cleared in this program which is also outstanding numbers.

Girls basketball opened their season in Portland Oregon at the Nike Invitational Tournament they lost to 5A South Medford 74-62. Rated number three in the state, the girls are now undefeated in league play.

Volunteering: As you know, Cleveland is a project-based learning high school. If you are interested, (we’d be delighted if you are), in sitting on student presentation panels of community members please contact Lois Brewer at (206)252 -7874.

Holiday: Here’s wishing all the best for a peaceful holiday for all the proud Eagles out there.

Respectfully submitted,
Princess Shareef
Principal
Cleveland High School

CHSAA Volunteer Needed

For a number of years CHSAA has been blessed to have Kathleen (Gemmill) Stremick ’59 send out sympathy cards to the families of our Fallen Eagles. Kathleen is retiring from this position and we need someone to replace her.

Whoever volunteers to replace Kathleen need not live in the Seattle area but must have access to the internet. Cards, postage and miscellaneous expenses are paid for from the General Fund of our Association so there are no out-of-pocket expenses.

Kathleen was a former board member and secretary for the board where she performed her duties with a high level of professionalism.

For more information or to volunteer, please email chsaaeagle@yahoo.com or call JoAnn Smith at 425-487-3952.
A NEW LYCEUM FOR THE CHS MEMORIAL FOREST

Re-build it and They Will Come. The Cleveland High School Alumni Association is pleased to announce a project that will lead to the rebuilding of the Lyceum structure for our 131-acre Cleveland High School Memorial Forest, located on the Sammamish plateau. The Forest is dedicated to CHS alumni that lost their lives while in service to the United States. The CHS graduating class of 1943, with money that they collected, tasked Vice Principal Ray Imus to purchase this land as a gift to the school.

A lot has happened since then and the forest is now an oasis in the midst of residential development. Newly rebuilt sanitary facilities, parking, a caretaker's cottage, the remains of the original Lyceum structure support and a network of hiking and nature trails. Our Alumni Association has, in conjunction with the Garfield High School Outdoor Education Post, undertaken the reconstruction of the Lyceum that was destroyed by an arsonist more than ten years ago. Alumni Association members are in the process of obtaining permission to proceed with this project from the Seattle School Board who is officially responsible for administration of the Forest. (Note: The Forest was turned over to the Seattle School Board because a high school is not allowed to own land.)

A conceptual architectural design of the Lyceum is shown in the two drawings below. Design development is well underway and construction estimates have been completed along with a detailed cost breakdown.

An initial goal of the project is to raise $40,000 to rebuild the Lyceum. Once completed the facility will again support yearly memorial services and student studies associated with forestry, ecology, botany and the environment. These uses are in direct correlation with the Mission Statement of the CHS Alumni Association. The facility will also be used for overnight survival training that is conducted within the Seattle School District.

With your help this facility can become a reality. Please use the donation form on page 15 of this newsletter and identify your contribution as being for the Memorial Forest Fund.

TREASURER’S REPORT

December 2012

As another year comes to an end, here is a brief summary of the financial highlights for this past year. The 2012 Golf Tournament netted a record $4,940, with all proceeds benefiting the scholarship fund. Many thanks to those who participated in this fun event, and also, to the generous hole sponsors. The Association also received a donation from the Classes of the 70’s for $701, which was an accumulation of proceeds from recent class reunions over the past several years. Five very hard working and deserving students received $3,000 each towards their college educations – the $15,000 expenditure granted by the Board is the largest ever made by the Association to help students realize their dreams of pursuing and living their college experiences. The Athletic Department received $7,470 to help supplement and offset varied expenditures that can be very burdensome for students, who wish to participate in sports and proudly represent their school.

Our account balances as of early December totaled $167,035, which have grown steadily during the year. The Board’s decision in 2010 to change their strategy of how your contributions are invested has thus far proven to be very beneficial to the Association, although market conditions can and will continue to fluctuate over time. The below chart shows our investments have grown 21 percent since July 2010 for a net profit of $23,531. In 2012 we had a gain of 12 percent for a net profit of $15,514.

A big “Thank You” goes out to all of you who make, and continue to make, contributions to the CHS Alumni Association.

Cleveland High School Alumni Association, PO Box 94004, Seattle, WA 98124-9404
CLEVELAND HIGH SCHOOL ALUMNI ASSOCIATION

Mission Statement: A non-profit organization of Washington State and the United States 501(c)(3), this Association was founded for the exclusive purposes of: (1) preserving the Cleveland High School Memorial Forest in perpetuity to honor former Cleveland students who gave their lives in service to the United States of America, (2) supporting educational studies in forestry, ecology, botany and environmental studies of the forest, and (3) supporting and assisting the students and staff of Seattle's Cleveland High School in their educational activities. Any individual who attended Grover Cleveland Junior or Senior High School is a member of the Cleveland High School Alumni Association.

Please help us keep the database current by sending a post office change of address form or by contacting the membership secretary when you move. To protect your privacy membership list is not distributed to anyone except for activities associated with the Alumni Association.

Volunteer Opportunities:

I would like to help build a strong alumni association, I am interested in the following:

- I can serve on the Board
- I can serve on a committee: Alumni Relations, Scholarships, Golf Scramble, Finance & Budget, Memorial, Fundraiser Forest, Audit, Bylaws Review, and/or Nominations/Election
- I would like to help out with an event, activity, or a specific project
- I would like to help in some other way
